Unprecedented Service Through Unprecedented Times

Member Focused, Member Driven

Our immediate, focused response to the fiscal stress and the abrupt changes to the workplace brought about by COVID-19 let our members keep their focus where it needs to be - on the health and general welfare of their communities. The initiatives we undertook for our members include:

- Issued Workforce Reduction Credit checks to members in May 2020
- Supplied disposable face masks to all members
- Real-time COVID-19 updates and resources
- Interactive online safety training webinars
- Safety culture and re-opening guidelines
- Individual live video safety training

Advantages of Membership

The Comp Alliance is dedicated to creating safe workplaces and relieving the budgetary pressures of workers' compensation insurance. The following programs are available to our members:

- Program-wide rate reduction for 2020 and multi-year fixed cost options
- Loyalty Award checks in 2019 and 2020
- Safe Workplace Award incentive program
- No Payroll Audits
- School District Advisory Council
